

CONFIDENTIALITY IN ONTARIO'S EDUCATION SYSTEM

As a teacher, early childhood educator, or staff member in an educational setting, have you ever wondered if you are able to share a student's personal information with a fellow co-worker, parent or student?

Teachers, early childhood educators, and staff members in an educational setting are responsible for maintaining the confidentiality of their students' personal information. If you do not fully understand your obligations when handling a student's personal information, you may be unknowingly breaching confidentiality.

Our training course will cover:

- ◆ What is confidentiality and what is a confidentiality breach?
- ◆ What is personal information?
- ◆ When can personal information be collected, used and/or disclosed?
- ◆ What is the duty to report?
